

Information About the Service

NBN is a broadband service for delivering high speed Internet to Australian residential and businesses. NBN is only available in NBN enabled areas as defined on the NBN Co. website - <http://www.nbnco.com.au>

All NBN services are available in 1, 12 or 24 month terms. If you elect to cancel the term when signed up to a 12 or 24 month term an early termination fee will be payable.

What is Included:

- High Speed Internet service via Fixed or Wireless NBN

What is not Included:

- Router
- Dishonour and late payment fees
- Telephone service

Important Restrictions:

- NBN must be activated in your area

Important Qualifications:

- Requires available NBN port
- Subject to NBN being available in your area

Fair Use:

The fair use policy applies to this service, for detailed information please see -

<https://url.net.au/fair-use-policy.pdf>

Information About Pricing

25/5 with Included Traffic (24 Month Term)	Included	\$79	\$0	24	\$1896	N/A

- *Monthly Data = Uploads and Download combined, 1000MB of data = 1G*
- There are no excess data fees, when you reach your monthly data limit your service will have the speed reduced to 128kbps for both uploads and downloads.
- If required a single static IP address (/32) can be assigned if required.

Service Cancellation

If you wish to cancel your service before the end of the term. The following early termination fees will apply:

- \$11 x number of remaining months
- Decrease data allowance- \$27.50 NB: Where a plan change to a higher data allowance is processed, there is no plan change charge. All plan changes result in a re-start of the Minimum Term.

Other Information

This is a summary only. For full product details, including all fees and charges please visit:
